Comments

1. Loved Todd and the content - stuff to implement
2. Wow amazing technology
3. Some great ideas taken from this
4. Very interesting
5. An eye opener - excellent presentation
6. Spoke well but made me realize how efficient most of our systems and procedures are. Am interested in following up Google maps.
7. Fantastic presentation it was mind blowing what he has done with his company
8. Scary how much you can do
9. Interesting - look forward to hearing more
10. Excellent! Well presented and enjoyable
11. I found his information too advanced for me!
12. Excellent very good speaker
13. Eye opening
14. Very good flow
15. WOW!
16. Very interesting. Not for me though - maybe for the younger generation of agents
17. Eye opener
18. Very very interesting. Lots of research and learning to be done now!
19. Great to see where the future is going and coming.
20. Stimulating.
21. Interesting presentation, not all that relevant to our needs.
22. The mind boggles, we must look forward - Excellent
23. For the less tech savvy I found this informative and understood most concepts. Well done!
24. Interesting; very entertaining delivery.
25. Very advanced- impressive.
26. Just so much value - Great.
27. Wow - Scary and fascinating all in one!

28. Mind blowing concepts for keeping track of your business.
 29. Good info and good presentation.
 30. Interesting and Exciting.
 31. As Bob said "I feel so inadequate!" There is so much information re: various products it's very easy to get lost in the maze. Collating relevant info for Property Management across the board (i.e. not just re: inspections and applications etc) was very useful.
 32. Excellent, great ideas in plain English - lots to implement.
 33. Wouldn't you love to have this concept going for you? It's knowing now how we can implement it all which is a bit of a problem.
 34. Great Presentation.
 35. Was not enough detail need more time really.
 36. Scary - but exciting times ahead.
 37. Interesting. Left me wanting to ask many questions to seek more information.
 38. Great ideas.
 39. Very good. Bit too much of a sales presentation, but some great ideas to take away and implement. Already got a contact to get more out of it.
 40. Great interesting presentation. Partly relevant.
 41. Would have like more examples of ipad use.
 42. Great!
