Comments

1. Very interesting, will be looking into video.
2. Very enjoyable to listen to.
3. Much better than yesterday. More relevant to all of us. Well explained, everyone was paying attention. Our company will defiantly be following it up.
4. Amazing.
5. Very empowering. Learning lots!
6. Excellent, very informative and exciting.
7. Another great presentation with a lot of good info.
8. Great motivation for our industry.
9. WOW!
10. Absolute top class presentation. Will revolutionize our business.
11. Very exciting look at what is next for PM in Australia.
12. Great stuff - going back to implement!!
13. He is awesome, perfect timing for what I am getting up and running.
14. What a lovely bloke.
15. LOVED! GOT IT! DOING IT!
16. Mind blowing - hard to imagine why we aren't doing it.
17. Todd is very interesting and has provided me with so much fresh knowledge.
18. Fantastic stuff.
19. Conference highlight!
20. Great very interesting keen to research further.
21. Very good info that needs to be introduced.
22. We are very inspired to implement this in our business ASAP. Thanks for making it possible to get training to do this.
23. Loved it! Fun and exciting.
24. Great technology need to look in to.
25. Fabulous - Loved it.
26. Todd's first session was fabulous - this session was out of this world and showed me a better way! Loved it!!

27. Awesome! What a fantastic point of difference!
28. Excellent
29. Gave me some great new ideas, brilliant.
30. I want to take Todd home!!! This was sensational - I could have attended this whole conference for this alone 😊
31. Best thing I've seen in years.
32. Fantastic!
33. Very good, a serious thing to think about.
34. Content was amazing - Great presentation.
35. Very very informative - excellent.
36. Excellent, thanks Todd absolutely awesome.
37. Would have liked further details on equipment to use.
38. Very good, very informative.
39. Great can't wait to start using video.
40. Brilliant, just made us realize that we have some work to do to blow our completion away, and it is all so easy.
41. Extremely informative - produce more with less input.
42. Very relevant, much more than I anticipated it to be.
43. Brilliant - wish he went longer.
44. Excellent content!
45. Excellent
46. A great insight into the future of property management
47. Excellent presentation, I got a lot out of it
48. Very very entertaining, great speaker, so much to take back to the office defiantly best speakers so far
49. Video would be a great way to show properties hadn't even thought of doing that
50. Always great to have an 'international' entertain us and educate us. Awesome
51. Great presentation & Ideas
52. Excellent presenter, very interesting and informative
53. Fabulous
54. Very good, will suggest owners to consider using ASAP
55. Difficult to keep my focus and attention but likes the ideas about recording videos
56. Fantastic!! Best presentation so far!!
57. Fantastic - A real fresh approach to give LPMA even more points of difference
58. Great ideas - inspirational
59. Great
60. WOW!! Great ideas - can't wait to use them back at our office
61. Very good 😊
62. Extremely interesting and mind blowing
63. Very interesting presentation
64. Brilliant man - so much information great
65. So interesting and easy to understand, Todd was great presenter and I found content very informative
66. Good presenter, new ideas, too long to cover topic
67. Informative

68. FANTASTIC! Wonderful idea - the way of the future
 69. Went a little long
 70. Exciting concept!
 71. Really, really good even for an American!
 72. I thought this was the most innovated concept. It would be such a point of difference and Todd was a fantastic speaker.
 73. Great presentation and good content SOMETHING NEW & DIFFERENT!
 74. Fabulous I have learnt some great stuff. Will certainly be looking into that
 75. Excellent content and professional delivery
 76. The best information of the forum. Well Done! I'll go for it!!
 77. Too long
 78. Excellent, very informative
 79. Presentation went for too long
 80. Amazing - why are we not videoing yet??
